CLASSIFY YOURSELF

Determining your skier type is your responsibility!

So what type of skier are you? There are three classes of skier types: Type I, Type II and Type III. Consult the descriptions below to select your classification. Your skier type, height, weight, gender, age and boot sole length are used by our ski shop technicians to determine the visual indicator settings of your ski bindings. Be sure to provide accurate and complete information as any error may increase your risk of injury or any uncompleted information will result in your equipment not being set.

SKIER TYPE I

- Ski conservatively
- Prefers slower speeds
- Prefers easy, moderate slopes
- Favors lower than average visual indicator settings. This corresponds to an increased risk of inadvertent binding release in order to increase the likelihood of release in a fall.
- Type I settings apply to entry level skiers uncertain of their classification.

SKIER TYPE II

- Ski moderately
- Prefers a variety of speeds
- Prefers varied terrain
- Type II skiers are skiers who do not meet all the descriptions of Type I or Type III skier types.

SKIER TYPE III

- Ski Aggressively
- Prefers fast speeds
- Prefers steeper & more challenging terrain
- Receive higher than average visual indicator settings. This may reduce the likelihood of release in a fall in order to decrease the risk of inadvertent binding release.

What does it mean, “Green” - “Blue” - “Black”?

Green circles are the color and symbol used for the beginner easiest trails to ski or board on. This is where all beginners ski or ride.

Blue squares are the color and symbol used for more difficult trails, or for intermediate skiers and riders.

Black diamonds and double diamonds are the trail color and symbol used for the most difficult and extremely difficult trails.

Rental and Liability Release Agreement
Parent or Guardian, Please Read Carefully before signing

I agree upon behalf of the minor user I am representing to accept for use AS IS all equipment to be provided during the group ski trip and agree to accept full responsibility for the care of the equipment while it is in the users possession. I will be responsible for the replacement at full retail value, as listed in the Ski Rental Shop, of any equipment provided under this form, but not returned to the shop, for any reason whatsoever, included but not limited to equipment, which is lost, stolen or misplaced. I agree all rental equipment will be returned by the agreed date.

I agree to reimburse the Caberfae Management Corporation and its Ski Rental Shop for any loss or damage of any kind to the rental equipment other than reasonable wear and tear from the use of the equipment.

I understand that the binding system cannot guarantee the user's safety. In downhill skiing, the binding system will not release at all times or under all circumstances where release may prevent injury or death, nor is it possible to predict every situation in which it will release. In snowboarding and cross-country skiing, the binding system will not ordinarily release during use: these bindings are not designed to release as a result of forces generated during ordinary operation.

I understand that the sports of skiing, snowboarding, snowblading and recreational activities involve inherent and other risks of **INJURY** and **DEATH**. I voluntarily agree to expressly assume all risks of injury or death that may result from skiing/snowboarding/snowblading/helmet use, participation in any group ski trip, or which relate in any way to the use of the equipment to be issued to the user.

I agree to release the ski/snowboard shop, its owners, affiliates, agents, officers, directors and the manufacturers and distributors of the equipment (collectively "PROVIDERS") from all liability for injury, death, property loss and damage which results from the equipment user's participation in the sport of skiing/snowboarding, participation in this group trip, or is in any way related to the use of the equipment, including all liability that results from the NEGLIGENCE of PROVIDERS, or any other person or cause.

I further agree to defend and indemnify PROVIDERS for any loss of damage, including any that results from claims or lawsuits for personal injury, death, and property loss and damage related in any way to the use of the equipment or participation in the group ski trip.

This agreement is governed by the applicable law of this state. If any provisions of this agreement is determined to be unenforceable, all other provisions shall be given full force and effect.

I, THE UNDERSIGNED, HAVE READ AND UNDERSTAND THIS EQUIPMENT AND LIABILITY RELEASE AGREEMENT. I AFFIRM THAT I HAVE THE AUTHORITY TO ENTER INTO THIS AGREEMENT ON BEHALF OF THE MINOR USER I AM REPRESENTING AND AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT.
