TERRACYCLE

New Brigade: Vitamin and Supplement Bottles. This brigade takes ANY and ALL brands of vitamin and supplement bottles (plastic AND glass) and lids. This also includes protein and whey supplement containers. If your container says vitamin or supplement we can take it! (Please note that this brigade DOES NOT ACCEPT orange or green prescription bottles. Please recycle those in your regular recycling and do not send them in.)

The spring weather is coming and that means allergies for many of us. The FLONASE brigade is one of our newer ways to earn money for Legacy. This brigade takes the empty Flonase spray cartridges AND the rigid plastic outer packaging. Any kind of Flonase is accepted, including children's Sensimist. (The brigade is brand name specific - so we can only accept Flonase items.)
