The spring weather is coming (we all hope and pray at least) and that means allergies for many of us. The FLONASE brigade is one of our newer ways to earn money for Legacy. This brigade takes the empty Flonase spray cartridges AND the rigid plastic outer packaging. Any kind of Flonase is accepted, including children's Sensimist. (The brigade is brand name specific - so we can only accept Flonase items.)

FINAL THOUGHTS

If one thinks of the school year in terms of "chunks of the year wedged between holidays", then welcome to the last chunk. We are in the final section! Springtime is exciting at Legacy Christian!

I hope that you had a wonderful spring vacation with your children. Regardless of where you spent it or what you were doing, it is a special time to spend with your family.

It is almost 2018-2019 contract time for teachers. Please remember them and their decisions in your prayers. Our support staff and faculty are all wonderful people who are uniquely talented and super dedicated. Because of them, this school is a special place!

Watch for invitations and special announcements that are being prepared for all of our student's grandparents and special friends. May 3 will be a special day for them and our students at both of our campuses. More later!

Have a great week!

Mr. Bonnema
