

Executive Committee

- Received information from Promotions committee regarding exit interviews from families who recently left Legacy.
- Made plans for a staff-board dinner in January.
- Prepared for Monday night board meeting. In particular, the discussion of compensation of administrators.

Finance Committee

- Discussed ideas for possible joint meeting with Promotions
- Reviewed October financial statements

Promotions Committee

- Promotions Committee made contact with new families at LCS. We want new families to feel included, valued and know where to go with their questions.
- Legacy Lens Newsletter to go out before the year-end to families, grandparents and others who contribute to LCS.

Education Committee

- We continued our ongoing commitment to review the LCS policies applying to education committee. This process is important to make sure the policies are clear to staff and stay relevant.
- Watch D.O.G.S program was studied over the past month and discussed. Members believe that while this is an excellent program its main goals are already being addressed in LCS's commitment to involve all parents and keep school safe; therefore, no motion was made to implement this program.
- Information about school accreditation was shared. The committee discussed pros and cons to the process, and it has asked the administration to bring back further information. This discussion will continue in the near future.

Facilities and Transportation Committee

- Made plans to remove some trees at the east (elementary) campus.
- Made plans to research cost of repairing/replacing roof. There were leaks throughout this fall with some of the big rain storms.

Development Committee

- Development committee has compiled a comprehensive needs statement that will be used when making contacts with donors.
- Two breakfast meetings were held to update donors on the needs of our school and to share with them how God is working at our school.
- The walk-a-jog-a-thon was successful in raising over \$27,000 for laptop computers for teachers and projectors for classrooms.
- We are looking for a couple of people to chair our auction committee.
