

## Executive Committee

- Initial discussion regarding school board nominees.
- Initial discussion regarding potential use of staff ID's
- Discussed the impact of an additional kindergarten class on teachers in PE, art, music, and Tech

## Finance Committee

- Discussed cash management needs and investment options
- Reviewed November financial statements
- Began discussion on 2009/2010 budgeting process, including timeline

## Promotions Committee

- The Promotions Committee met on Saturday, Dec. 6. The following areas are currently in progress:
- Talking Points will be sent home in bookmark form for current families soon. Other possibilities in 2009.
- Updated promotional materials for the Pre-K and K programs are in progress for distributing to local churches and for current parents to give out.
- A Facebook web page for LCS has been started by an elementary parent. If you are on Facebook, check it out and tell your friends.

## Education Committee

- Report from reading intervention study group was shared.
  - Understanding of what other schools are doing to help children with early reading intervention
  - This does not change our present program but is useful information for our staff and board.
- Continued discussion on the Accreditation Process occurred.
  - Benefits and challenges of doing this for LCS were discussed.
  - More detailed discussion will occur next meeting.
- Technology changes continue at both schools.
  - This is an exciting improvement to our school!
  - Needs of teacher support in technology will continue to be addressed, too.

## Facilities and Transportation Committee

- Putting together some info and costs to repair the roof at both campuses.
- Playgrounds passed inspections (new requirement by Michigan legislation).

## Development Committee

- Looking into the potential for a greater need for Tuition assistance
- Starting to plan for tuition assistance auction in the spring.
- Began discussion of a LCS foundation campaign
