

Mom's In Touch – You are invited!

Our children will be starting their school year with an all-school worship time on the first day of school, Monday, August 30, at 8:30AM in the Elementary School. You are invited to join the Legacy students and staff as our community dedicates the school year to God. In addition, you are invited to stay after the worship time to pray with other parents for our school and learn more about Moms In Touch. We will be meeting for a short time of fellowship and prayer in the Library. Everyone is welcome!

If you can't stay please join us any Monday morning at 8:30AM; we will be meeting in the Reading Support Room at the Elementary Campus. We also have an evening group which meets once or twice a month in the Elementary library.

It's a great way to meet other mom's.
